

## Are you Included?

The mission of The Able Trust is to be a key leader in providing opportunities for **successful employment** for Floridians with disabilities. We are certain that hundreds of other businesses and organizations in Florida believe in the importance and necessity of diversity, equity and inclusion.

**This includes persons with disabilities.**

**Are you one of those organizations? Are you included?**

Companies that shift focus *to* ABILITIES and INCLUSIVENESS, make a big pivot, away from compliance mindset and *to* ROI mindset. They recognize benefit of implementing practices, tools, processes, and innovations that increase productivity for all team members. They seek out and use accessibility tools ALREADY available to them, for example on devices they own, and find themselves giving clearer instructions and coaching in ways that help all team members.

If your organization supports The Able Trust's shared commitment to disability inclusion in the workforce, **then you are included!** We want to encourage other businesses like yours to do the same. Let us help to spotlight your company on our website and with our networks. Partner with The Able Trust and inspire businesses across the state large and small to open its doors to disability inclusion.
